Final Note by the ~~Second~~ Member of Council.

Subject:—

Application of Mr. A.M. Sen, Senior Geologist, for combined leave for one year and acting arrangements.

Mr. Sen, Senior Geologist, has applied for combined leave for one year with effect from 1st November 1921. The Director of Geology recommends sanction to the leave and proposes that Mr. B. Balaji Rao may be appointed to act as Senior Geologist and Mr. Venugopal to act as Assistant Geologist.

2. The case of Mr. B. Venkataramaiya, Assistant Geologist, now on Special Duty in connection with the Iron Scheme, who happens to be Mr. Balaji Rao's senior, with an excellent record of work in his favour, seemed to me to require some consideration. A reference was accordingly made to Dr. Smeeth to favour Government with his opinion on the recommendation of the Director. Dr. Smeeth considers the acting arrangement proposed by the Director of Geology during the absence of Mr. Sen on leave, quite suitable.

3. The matter was considered in Council and the following resolution was recorded:-

"The leave may be sanctioned and Mr. Venkataramaiya appointed to act as Senior Geologist, and seconded while on other duty, and Mr. Balaji Rao appointed as Senior Geologist in his place."

4. The resolution of the Council may be graciously approved.

4. Nature of leave applied for and section of the Service Regulations applicable .... Privilege leave combined with furlough for a period of one year.

5. From what date .... 1st November 1921.

6. Number and date of Comptroller's certificate in support of the title to the leave, period and nature of the leave certified to

7. Arrangements proposed for conduct of applicant's duties during his absence, and qualifications of the proposed officiator .... ×(1) Mr. B. Balaji Rao, B.A., assistant Geologist to act as Senior Geologist and (2) Mr. V. D. Venugopal, B.A., Sub assistant Geologist to act as assistant Geologist.

8. Other remarks, if any, such as necessity, urgency, etc. .... The necessity for the leave is clearly explained in Mr. Sen's application submitted herewith in original. It may also be pointed out that I have not availed myself of any long leave or furlough since 1911-12 and cannot do so until someone can take charge of the office. If Mr. Sen can spend some time profitably in the west and gain knowledge in the more modern methods of mineral development etc it will be very useful and hence I recommend his leave for which sanction.

Bangalore.

Sir,

I have the honour to submit this application for long leave (privilege leave combined with furlough) for a period of one year with effect from the 1st November, 1921, or a subsequent date of availment.

I beg to state that I have applied for this long leave so that I would be able to visit the western foreign countries of England and America not only for the general benefit of my health but also for making myself acquainted with the modern and up to date Scientific methods of Geological and Mineral Surveys and some other technical and industrial developments allied to these branches of Science. I would endeavour to spend a good portion of the period of my stay in the west for this purpose as far as my funds would permit. Moreover, I find it necessary for me to have long leave for private domestic affairs which can not be otherwise attended to

So I beg to request that you would be good enough to forward my application with your

recommendations to Government of Mysore for their favourable consideration and kind sanction of the Long leave applied for.

Dear Dr. Smeeth,

Mr. Sen, the Senior Geologist has applied for combined leave for one year from the 1st November 1921, and the Director of Geology has proposed that Mr. Balaji Rao may be appointed to act as Senior Geologist and Mr. Venugopal, to act as Assistant Geologist. Mr. Jayaram says that in making these recommendations, he has not forgotten or overlooked the claims of Mr. Venkataramaiya who will, however, not be available for work in the Department as long as he remains in the Iron Scheme. I am desired to request you to favour Government confidentially with your opinion and suggestions in the matter.

Dear Mr. Matthan,

With reference to your "Confidential" D.O.No.359 C.B. of the 20th July '21 I think that the acting arrangement proposed by the Director of Geology during the absence of Mr. Sen on leave are quite suitable and I do not think there is any possible alternative.

Hitherto I have always endeavoured to secure that Mr. Balaji Rao and Mr. Venkatramaiya should act alternately during the absence of Senior Officers but in the present case it is not possible for Mr. Venkatramaiya to be considered in the matter as he is engaged on the work of the Iron Scheme. This will not in any way prejudice Mr. Venkatramaiya's - - - position in the Department and under the circumstances therefore the proposals of the Director may be approved.

Sir

I have the honor to request that the Government may be kind enough to accord special sanction, under Article 478 (Note) of the Mysore Service Regulations, for the payment to me in England, at the current rate of exchange, through Messrs. Coutts & Co., Bankers, London, of the leave allowances due to me during the period of the privilege leave forming part of the combined leave sanctioned to me from the 1st November 1921, vide Chief Secretary's D.O. letter No.1426/ C.B. dated 7th September 1921

2. I make this request not only in view of the abnormally heavy expenses of living in England at present, but also because of the great promptness with which the allowances can be disbursed to me in England rather than in India, where considerable delay has to be apprehended owing to the necessity of my having to transmit the life certificate to the Bankers.
